

## ABOUT JULIE HENDERSON

As a leading authority in teaching success strategies, Julie motivates, inspires, and empowers women in direct sales business to achieve success. Julie shares her expert life and business knowledge, along with strategies, tips, tools, and resources that help women create the life they want and deserve.

Julie is the CEO and Founder of Expect Success Be Unstoppable. As a published author, [\*Expect Success Be Unstoppable, A Woman's Secret Recipe\*](#) and speaker, Julie's message is based on her own life-changing event, a lesson she learned in a wheelchair. As a result of a near fatal head-on car accident, Julie experienced many challenges, yet she credits that event as one of the most life-changing lessons. Whether you are feeling trapped by circumstances, you want to create a business, or you want more freedom and flexibility in your life, she believes you always have a choice, you can be positive or negative, and you can either blame others or take responsibility for those choices; these are the keys to shaping your life.

Julie's greatest achievement is her close relationship with her husband and two adult sons. She is a life-long learner, with a keen interest in self-improvement and personal growth. Julie is known for her positive attitude and her ability to build instant rapport when connecting with people.

Aside from loving what she does, helping others and making a difference, Julie's interests include spending time with her family, moksha yoga, working out, the outdoors, and inspirational movies.

Julie grew up on a small family farm in Saskatchewan, Canada. Her success includes experience as an executive assistant, business and administration instructor, training consultant, and manager of student services. She is also a university graduate, a registered nutritional consultant and certified coach.
